**Sunnyvale, CA (May 13, 2026)** [24 Hour Fitness](#) today announced the reopening of its refreshed Sunnyvale Super-Sport club following an extensive remodel designed to create a more modern, welcoming and functional fitness experience for members of the Sunnyvale community.

The refreshed club officially soft reopened on May 5, 2026, unveiling a redesigned layout and upgraded amenities intended to better support today's evolving fitness routines. The community is invited to attend the official grand opening event on June 1, 2026 from 4-9pm at the newly remodeled location at 762 Sunnyvale Saratoga Road, Sunnyvale for giveaways, raffles and tours.

This remodel includes a redesigned floorplan that improves the overall flow of the gym floor while expanding space for strength equipment. New and returning members will enjoy upgraded equipment and a layout designed to make it easier to move through workouts while enjoying a more comfortable atmosphere.

Members also continue to have access to Premium Fit24 and Recovery24, both of which were introduced at the club in September 2025 as part of 24 Hour Fitness' expanded focus on recovery and elevated wellness experiences. Recovery24 is a dedicated area that provides members with tools designed to support muscle recovery, relaxation and overall wellness. Premium Fit24 offers an elevated, private experience with top-of-the-line equipment.

"Today's members are looking for spaces that support every part of their fitness journey, from performance and strength training to recovery and overall wellbeing," said Ryan Grappone, District Manager at 24 Hour Fitness "The Sunnyvale refresh reflects our continued investment in creating modern, energizing and community driven fitness environments."
